HOPE SQUAD represents students who promote positivity within the school and community.

Hope Squad is a year-long class offered during 4th period and will count as an elective credit. Students will learn how to recognize the warning signs of suicide, reach out to peers in distress, and refer them to trusted adults. They will also receive training on self-care and hopeful living. In addition to learning, students will also do the following:

- Plan hopeful activities in the school/community, including "Start With Hello" and Hope Week.
- Help counselors with mental health presentations.
- Visit elementary and middle schools.
- Attend a Hope Squad conference.
- Create a Bingham Hope Squad video.
